Expenses	156.31	

- carried

Old Business

- Discussed training for Local Board of Review Training. Brady and Mitchell need to be trained; Lance is good until 2025.
- Concern with Property Owner pushing snow in middle of the road over by Connor Egges – Mitchell will contact them; let them know they can’t leave snow in the middle of the road. Need to get into the ditch.

New Business

- Received building permit application from Amanda Sistad for shop and house. Approved contingent upon receiving application fee. 2023-01.
- Brady and Mitchell noted that they had been to Randy Nubson’s place on Monument Beach Road. He was complaining as water was running down his driveway into his shop. Culvert was frozen as the water started running. Now that the culvert is open,

water draining as it should. Not really anything that the Township can do. Unfortunately the garage is built low and their isn't a lip or cut through for the water. This was a similar situation after a heavy rain last year. Although now with the culvert running, it doesn't seem to be an issue.

- Received call from Joel Haakenson, he wanted to know about the process for a liquor license for Birchwood. Said Terry informed him he had to get from the City. License actually comes from the County. Let Joel know that once he gets the application filled out – the Township wouldn't have any problems with it if its been setup as in years past. Board authorized signature if its in good shape.
